

# wit's end cottage Covid -19 Changeover additions

## Prior to the Covid -19 outbreak our standard procedure at each changeover was

All Bed Linen, Towels, Bathrobes, Tea Towels, Oven Glove, Floor Mat, Throws removed, washed at 60 degrees.

Dried and ironed where appropriate ready for next changeover.

Pillow, mattress and duvet protectors fitted. Laundered monthly or as necessary.

Freshly laundered Bed Linen, Towels, Bathrobes, Tea, Towels, Oven Glove, Floor Mat and Throws placed in cottage.

Used Spa Slippers disposed of and replaced with new.

Once bed is made all bed linen is rolled with a lint remover to remove any dust or hair.

Sofa covers inspected for cleanliness and lint rolled to remove any dust or hair. Laundered monthly or as necessary.

Scatter cushions inspected and lint rolled to remove any dust or hair. Laundered monthly or as necessary.

Commercial grade cleaning chemicals used throughout to ensure maximum cleanliness.

## Covid -19 additional measures

Pillow, mattress and duvet protectors replaced with freshly laundered items at each change over.
